

King Cross Radom expresses the centre's various retail and leisure activities through volumes, colours and finishes.

### Location

Located in a densely populated area, Radom is the second largest urban complex in the Mazovia Province, only 100 Kilometers from Warsaw.

### Road Network

Radom is situated at the cross-road of main communication routes: five national highways meet and cross in Radom, two of them are international routes. The railway junction in Radom links two main lines: Warsaw-Cracow and Lublin-Lodz, long distance passenger and cargo trains, joining the largest Polish cities.
